

Henry County Board of Assessors

The Board of Assessors was created in each county of the State by an Act of the Georgia Legislature to value all property, both real and personal, in the county and assess all properties (not exempt) for Ad Valorem tax purposes.

The Board of Assessors also has the responsibility for valuing all properties in the farm use valuation programs, timber tax, Freeport Exemption, and exempt properties.

HENRY COUNTY HOSPITAL AUTHORITY

The Hospital Authority was created and operates pursuant to the Georgia Hospital Authorities Act as a “public body corporate and politic” under Georgia Law. See Ga. Code Ann. § 31-7-72. The Hospital Authority’s stated purpose is to meet regional health care needs for all persons on a nondiscriminatory basis and regardless of ability to pay. The powers and functions of hospital authorities are set forth in Ga. Code Ann. § 31-7-75 as “public and essential governmental functions,” and include the right to exercise the power of eminent domain.

HENRY COUNTY COUNCIL ON AGING

The Henry County Council on Aging is a 501(c)(3) non-profit organization. It is made up of nineteen (19) volunteers who serve as directors. Directors are selected by each District's commissioner and City Council members. The council's primary objective is to support programs that serve Henry County senior citizens. Supported programs include Meal-on-Wheels, Nutrition Supplements, In-Homes Services, Senior Centers, and Volunteer Activities. The council members serve as advocates on behalf of the senior citizens of Henry County. They seek out grants for senior service programs that are only available to non-profit organizations. Their primary annual fundraising event is the Miles-for-Meals Campaign. The Miles-for-Meals Walk is held each year on the first Saturday in May.

Contact: Henry County Council on Aging
1050 Florence McGarity Blvd.
McDonough, GA 30252

Henry County Board of Health

The County Boards of Health were created by Georgia Law in 1914 (O.C.G.A. §31-3-1). The law established a Board of Health in each county in the State and is the basis upon which the statewide public health department system was formed. The mission of the Division of Public Health is to promote and protect the health of people in Georgia wherever they live, work and play and to unite with individuals, families and communities to improve their health and enhance their quality of life.
