Questions and Answers

- Question:** In regards to the Annual Firefighters physical exams, are the chest xrays expected to be done onsite with a mobile unit or can the firefighters be sent to a offsite location?
Answer: X-rays are not conducted within this program. (They are conducted through another avenue.)
- Question:** How many treadmills are going to be required to get through all the firefighters in the timely manner? And is there a place indoors that test could be completed onsite?
Answer: The awarded contractor is to provide a minimum of two (2) treadmills. However, there is enough space available for four (4) treadmills. Yes, there is an indoor site for the test to be conducted.
