SECTION III – EVALUATION AND SELECTION CRITERIA

Henry County’s selection of a firm shall be based upon the demonstrated competence and qualifications of the firms to provide the type of service required. Each proposal will be evaluated and scored through a process by the County’s staff.

The Proposer’s submittal must fully address the requirements listed in this solicitation and the Firm’s degree of experience, knowledge, and ability to provide experienced and qualified support staff. The proposal is not to have any exclusions, conditions or provisions applied to the aforementioned request. It is the County’s intention to select a firm which is the most qualified to meet the County’s needs. The award shall be based on but not limited to the following factors:

RFQ EVALUATION CRITERIA	Scoring Value Maximum Points
Qualifications of Firm Qualifications of firm, specifically as they relate to this Project.	35
Firms Experience on Similar Projects Related project experience of the firm(s) and the individuals who would be assigned to this Project.	30
Available Resources to Complete Project This criterion would include the analytical, design tools, personnel, resources or methodologies commonly used by the firm that may be applicable to the project categories.	15
Responsiveness to the RFQ This would include any documents submitted such as concept plans, space planning, and design concepts and other related items.	10
Professional References	10
MAXIMUM SCORING POINTS TOTAL	100
Oral Presentation and Product Demonstration - At its sole discretion, the Evaluation Committee made up of County employees may require an interview/presentation before the final selection and award to a Firm. Submittal of material and information during an interview/presentation could add up to 15 additional points to the total score of the Firm.	15 (possible additional points if an oral presentation is requested)

The Scoring Formula for the above Scoring Value Maximum Points is as follows:	
Excellent	.75 - 1.00

 - b. The cost submitted by all proposers is too high.
 - c. The scores of two (2) or more proposers are very close after the evaluation process.
