

Henry County Board of Commissioners

Statement of Values

As public servants of the citizens of Henry County, we strive to provide quality service to the residents and visitors to our community that is second to none in its commitment to excellence. Our services will be maintained by strict adherence to the principles of:

HONESTY

We require Honesty, Integrity, and Truthfulness in all matters.

RESPECT

We will maintain respect for all those in need of services regardless of age, religious beliefs, ethnicity or national origin, economic status, or physical challenges.

COMMITMENT

We will commit to the belief that every request for service shall be performed as though our personal and professional reputations were being evaluated.

TEAM WORK

We will conduct ourselves in such a manner that we will promote harmony and loyalty among our fellow workers, citizens, and community leaders.

EDUCATION

We will encourage an atmosphere of learning, training, and constant striving to improve our individual and collective performance.

EFFICIENCY

We will provide a quality level of service, rooted in sound economic practices with a commitment to efficiency in the workplace.
