Emergency Communication

REMARKS:

Urgent For your review Reply ASAP Please comment

Please be advised of **closure of Mill Road (at Mount Carmel Road) beginning tomorrow, Tuesday, 10/12/2021.** This closure is in addition to the existing closure of Mount Carmel Road that's been in place since early September.

The closure is for construction work related to placing a roundabout at the Mill/Mt Carmel Intersection. The closure is expected to remain in place into early November 2021 pending good weather and no unforeseen issues occurring that may delay work progress.

The contractor has in place a signed detour route.

See the attached map for the approximate closure location and detour route.

WE APOLOGIZE FOR ANY INCONVENIENCE AND APPRECIATE YOUR PATIENCE AND COOPERATION. IF FURTHER INFORMATION IS NEEDED, PLEASE CONTACT THIS OFFICE.
