**Bid #17-10**  
**Remounting and Refurbishing of Two (2) Ambulances**  
**Questions and Answers**

1. **Question:** Pg. 16 item 26 – Instrument Console – Panasonic laptop CF52 – Does this mean that you want a computer mount pole with docking station or just a map pocket to store computer while being charged?  
**Answer:** **A map type pocket in the console.**
2. **Question:** Pg. 20 item 11 – Grill Lights – Grill lights will have to be Whelen Tir 6 red super led with chrome flanges in order to fit on the Dodge Grill without constricting air flow.  
**Answer:** **The grill lights are addressed in 7.12 – Two Whelen 500 series super LED grille lights. The TIR6 is the correct light.**
3. **Question:** What brand of box is being remounted?  
**Answer:** **Both were originally constructed by Custom Works Specialty Vehicles**
4. **Question:** Pg. 21 item 2 subsection 7 – Damaged windows replaced – Are there any windows that are damaged on the box?  
**Answer:** **There are no damaged windows on either box.**
5. **Question:** Does unit have a separate Telemetry area?  
**Answer:** **No. There will be an AVL/InMotion system that is reinstalled in the same location that it is currently wired to, inside the Driver side 1 compartment (oxygen compartment).**
6. **Question:** Diagram of glove box holders?  
**Answer:** **The glove box holder is already built into the box. However, it should be inspected for damage and repaired/replaced as necessary. The plexiglass cover door would be replaced along with the cabinet doors.**
7. **Question:** New 900 red super led lights with chrome flanges on sides of box also?  
**Answer:** **Yes.**
8. **Question:** Flashlight to be STREAMLIGHT ORANGE HAND HELD FIRE VULCAN LED WITH VEHICLE MOUNT. Ok?  
**Answer:** **No. The light referred to should be the Streamlight FireBox LED box light.**
9. **Question:** Cast single “D or E” bottle holder for bottom of ALS?  
**Answer:** **The current boxes have the correct retention holder in them. They are for two D cylinders. Refer to attached picture of the holders. It is a slide in retention with a strap to secure.**
10. **Question:** What type of clock is requested?  
**Answer:** **Intellitec Emergency Time Manager digital clock.**
11. **Question:** What type of 3 digit combination lock?  
**Answer:** **Please see picture below. No specified brand.**
12. **Question:** What brand of spotlight?  
**Answer:** **Optronics**
13. **Question:** Need photographs for lettering and graphics layout.  
**Answer:** **See pdf file containing pictures.**

14. **Question:** Are all speakers being transferred or new?

**Answer: 9.11 FM Radio Speakers:** There shall be two new radio speakers installed over the rear doors inside the patient module. These shall be wired to the front FM radio with volume control for rear speakers located on action bench.
