ADDENDUM #1
Issued September 26, 2016

RFP # 17-14
Fiber Optic Cabling and Low Voltage Wiring Services
OPENING: 3:00 PM, October 3, 2016

The following items take precedence over referenced portions of the documents for the above-named project and in executing a contract, will become a part thereof. Where any item in the documents is supplemented hereby, the original requirements will remain in effect. All supplemental conditions will be considered as added thereto. Where any original item is amended, voided or superseded hereby, the provisions of such items not so specifically amended, voided or superseded will remain in effect.

Questions and Answers

- Question:** Does Henry County require that your chosen vendor provide both low voltage and outside plant (fiber optic) work or can we submit a proposal for low voltage only. These are 2 different specialties and if outside fiber optic plant work needs to be done, we would ultimately have to hire a subcontractor for the outside work and may not be able to determine a price that we could lock into for a year through a subcontractor.
Answer: Yes
- Question:** Do you require a warranty be provided on the Corning and Hubble products that you specified?
Answer: Yes
- Question:** Is there a current vendor contract in place for these services and if so, who would that be? I could not locate one from a year ago on your website.
Answer: Yes, Com-Tech

This Addendum #1 must be signed and attached to proposal to acknowledge receipt of Addendum.
Failure to acknowledge any addenda will result in a non-responsive bid.
